

Beginners Circle

The Beginners circle is an introductory circle aimed at people who are very new to Spiritualism or who would like to take the first steps in developing and exploring whatever abilities they may have. It is an opportunity to ask questions and discuss your experiences. We try to discuss a different aspect of spiritualism every time we meet. We also give you an opportunity to experience different types of meditation, discover the power of your own spirit, explore your psychic/mediumistic abilities; we introduce you to spiritual healing and help you start to become aware of the spiritual truths that lie behind Spiritualism and all the related phenomena. There is a small charge for the evening which is currently £5. This circle runs once or twice a month on a Thursday from 7.30 to 9.30pm, all year round. There is no commitment involved as you can come and go as you please.

Development Circle

The Development Circle becomes more personal, as the maximum number in attendance is reduced. This enables each individual to gain a deeper level of understanding and practical experience.

Its purpose is to continue to broaden, deepen and expand upon the knowledge and experience that has been gained in the Beginners Class. It also provides a structured progression for the individual development of the spiritual and psychic potential, possible for each circle member towards the Closed Circle advancement.

Advanced Circle

The purpose of the 'Advanced Circle' is to:

- Continue to broaden, deepen and expand upon the knowledge gained in the 'Intermediate Circle'.
- Provide and apply further structured progress for the individual development of the circle member towards public working.
- Reach and sustain as high a standard as possible for both knowledge and application in individual and group working.
- Clairvoyance
- Philosophical Inspiration
- Spiritual Healing
- Rostrum Work
- Chairmanship
- Projects and Theme work, both written and inspirational.

The advanced circle, expects that your dedication and commitment to spirit and your own spiritual progress throughout the circles is essential.
